

Sport

2 players play against each other in a football version of Tic-tac-toe. They have to get a row of three the same symbols by kicking the ball through the right hoops.

Competitive version of rock climbing against a wall.

Displays and platform with different physical activities during which the user's performance and goal is shown.

Subsoccer is a simple but addictive table football game played one vs. one under a type of table top, to shoot the ball in the goal under the seat of the opponent.

People have to peddle on a stationary bike which makes their representative bike in the race move forward. The faster they peddle, the faster their small bike will go. The first bike to cross the finish line wins. A very competitive, fun and active game.

MadeFirst is a full-service creative design and fabrication company with facilities in Nashville, TN. We service a variety of entertainment productions and events.

A group of West Hartford residents is working to renovate Jonathan's Dream, a public playground for children of all abilities.
